

## Unit Commanders Course (UCC)

Unit Commanders Course (UCC) "This course is designed to give new and potential unit commanders the skills needed to be effective as leaders of their units" If you are currently a unit commander or deputy commander or if you aspire to have a command position in the future, I encourage you to take advantage of this opportunity. The emphasis of this course will be the relationship between the commander and the unit's staff officers and how a positive relationship supports the CAP missions. In addition to the valuable information it includes, this course is one of the requirements for a senior member to complete for the technician rating of the Command Specialty Track.
